The Applicant is responsible for the hired engine, from the time of delivery to the time of return. The engine complete with accessories will be delivered **with seal** the Friday before the race at the Rok Truck. At the end of the Final on Sunday, the engine and all relating accessories disassembled must be returned to the Vorton staff. **The engine and all accessories must be returned clean and in the same conditions they were delivered (undamaged).** It is absolutely not allowed to break the seal; in case there might be such need, the only one authorized to do this is the Vorton staff, who will be able to decide how to proceed, according to its own discretion and after agreeing this with the technical Committee.

After returning the engine, the Vorton staff will check its status (including all relating accessories), reserving the right to charge any costs of repair/replacement of spare parts to the Applicant for breakage or failure, for improper care and lack of maintenance of the kart or for damage caused by improper use of the engine or damage caused by an accident.

The Applicant declares to understand, accept and respect the conditions of hire above mentioned.

The Applicant hereby agrees to bear the cost of any repairs or replacements of the engine and engine parts in case of breakage or failure.
