MINI ROK ENGINE KIT
ALLOCATED BY DRAWING LOTS BY PROMOTER

RENTAL INSTRUCTIONS

For the Mini Rok category, the Rok Cup Italia 2023 Championship races will be reserved (limited number) to a maximum of **54** drivers for each round and they will be held with engines provided and distributed by the Promoter by drawing lots.

ENGINE KIT RENTAL

The engine kit must be rented by filling in the form "engine kit rental form" and sending it by e-mail to info@vortex-rok.com. The rental form must be sent together with the copy of payment.

ATTENTION:

The REGISTRATION to the race will be accepted only if completed in all its parts, this means:
-the entry form must be filled in online and the payment of the entry fee must be done
-the engine kit rental form must be sent and the relating payment must be done

The requests will be accepted until the achievement of the maximum number of drivers allowed (54 or 51).

DELIVERED MATERIAL

THE ENGINE KIT INCLUDES: engine, carburetor, exhaust and intake silencer.

- The engine and the relative parts will be identified with a serial number and seals. **IT'S FORBIDDEN TO BREAK THE SEALS.** (in the event it would be necessary to break the seals, the only person allowed to take such action is a Vortex technician, who will decide with ACI SPORT marshals how to proceed).
- Every driver must have their own battery, battery support and wiring.
- It's forbidden to change, modify and/or add any part / component / engine set up / carburetor / engine part: all the parts MUST BE original, as provided by OTK.

ENGINE KIT DELIVERY

The engine kit will be allocated to each driver by drawing lots at each race and the drawing lots will take place before the beginning of the official free practices in the presence of drivers/entrants. The engine kit must be used starting from the official free practices.

Engine Kit drawing lots during the race

At the end of each race phase, drivers might be requested, as per discretion of ACI marshals, to take part in a new engine kit drawing lots among the drivers, to allocate a new engine kit. The drawing lots might take place among all the present drivers and the previously drawn kits before the official free practices.

ENGINE KIT RETURN

WHEN

The engine kit must be returned at the end of the race.

HOW

The engine kit must be returned to Vortex staff in the same configuration as it has been delivered: complete, clean, with intact seals and with all the given parts.
