

MINI ROK ENGINE KIT ALLOCATED BY DRAWING LOTS BY PROMOTER

RENTAL INSTRUCTIONS

For the Mini Rok category, the Rok Cup Italia 2024 Championship races will be reserved (limited number) to a **maximum of 54 drivers (or 51)** and it will be held with engine kits provided and distributed by drawing lots by the Promoter.

ENGINE KIT RENTAL

The engine kit must be rented by filling in the form “engine kit rental form” and sending it by e-mail to info@vortex-rok.com. The rental form must be sent together with the copy of payment.

ATTENTION: The **REGISTRATION to the race will be accepted only if completed in all its parts**, this means:

- the entry form must be filled in online and the payment of the entry fee must be done
- the engine kit rental form must be sent and the relating payment must be done

The requests will be accepted until the achievement of the maximum number of drivers allowed (54; 51 for the Jesolo race).

PROVIDED MATERIAL

THE ENGINE KIT INCLUDES: engine, carburettor, exhaust and intake silencer.

- The engine and the relative parts will be identified with a serial number and will be supplied with seals. **IT IS FORBIDDEN TO BREAK THE SEALS** (in case it would be necessary to break the seals, the only person allowed to take such action is a Vortex technician who will decide together with ACI Sport marshals how to proceed).
- Every driver must have his own battery, battery support and wiring system.
- It is forbidden to change, alter and/or add any part / component / engine set up / carburettor / engine parts or choose different “options” from those provided. All the parts **MUST BE** original as provided by OTK. It is forbidden to cut and/or modify the rubber sleeve of the intake silencer.

ENGINE KIT DELIVERY

Engine kits will be allocated to each driver by drawing lots. The drawing lots will take place before the beginning of the official free practices in the presence of drivers/entrants.

Engine kits must be used starting from the official free practices.

GUARANTEE DEPOSIT: upon delivery of the engine, the Entrant will be asked for a guarantee deposit of €100,00.

Draw of the Engine Kits during the race.

At the end of each race phase drivers might be requested, at the discretion of ACI marshals, to participate in a new draw among the drivers, to allocate a new engine kit. This draw might be made among all the present drivers and the kits drawn previously, before the official free practices.

ENGINE KIT RETURN

WHEN: Engine kits must be returned at the end of the race.

HOW: The Engine kit must be returned to the Vortex staff in the same configuration as it has been delivered: complete, clean, with intact seals and with all the given parts.

When the engine is returned by the Entrant, the Vortex technician will check its condition (including all related accessories), reserving the right to charge the Entrant for any engine/engine part repair/replacement costs for any engine/engine spare parts breakage or failure or inadequate care/maintenance or for damages caused to the engine by improper use or by an accident.

The guarantee deposit:

- will be returned if the engine is returned clean, intact, complete and in the same condition in which it was delivered.
- will be retained if the engine is not returned clean.
 - will be retained in total or in part to cover any engine/engine part repair/replacement costs for any engine/engine parts breakage or failure or inadequate care/maintenance or for damages caused to the engine by improper use or by an accident, provided that, in the event that the deposit is not sufficient to cover these costs, the difference will be paid by the Entrant.
