PRICES:

<u>JUNIOR ROK GP ENGINE</u> WITH ACCESSORIES	420,00 Euro (VAT included)
<u>ROK GP ENGINE</u> (for SENIOR/EXPERT ROK) WITH ACCESSORIES	420,00 Euro (VAT included)
<u>ROK DVS ENGINE</u> (for SUPER ROK) WITH ACCESSORIES	420,00 Euro (VAT included)
<u>SHIFTER ROK ENGINE</u> WITH ACCESSORIES	530,00 Euro (VAT included)

The Applicant is responsible for the hired engine, from the time of delivery to the time of return. The engine complete with accessories will be delivered **with seal** the Friday before the race at the Rok Truck. **The engine mount and the relative brackets are not included.** At the end of the Final on Sunday, the engine and all relating accessories disassembled must be returned to the Vorton staff. **The engine and all accessories must be returned clean and in the same conditions they were delivered (undamaged).**

It is absolutely not allowed to break the seal; in case there might be such need, the only one authorized to do this is the Vorton staff, who will be able to decide how to proceed, according to its own discretion and after agreeing this with the ACI SPORT technical Committee.

After returning the engine, the Vorton staff will check its status (including all related accessories), reserving the right to charge any costs of repair/replacement of the engine and/or engine spare parts to the Applicant for breakage or failure, for improper care and lack of maintenance of the engine and/or engine spare parts or for damages caused by improper use of the engine or damages caused by an accident.

DVS ENGINE: this engine is provided with butterfly Ø 24mm carburettor, therefore in case of breakage due to wrong carburation the costs will be charged to the applicant.

GUARANTEE DEPOSIT: upon delivery of the engine, the Applicant will be asked for a guarantee deposit of €100,00. When the engine is returned by the Applicant, the Vorton technician will check its condition and this guarantee deposit:
- will be returned if the engine is returned clean, intact, complete and in the same condition in which it was delivered.
- will be retained if the engine is not returned clean.
- will be retained in total or in part to cover any engine/engine part repair/replacement costs for any engine/engine parts breakage or failure or inadequate care/maintenance or for damages caused to the engine by improper use or by an accident, provided that, in the event that the deposit is not sufficient to cover these costs, the difference will be paid by the Applicant.

The Applicant hereby agrees to bear the cost of any repairs or replacements of the engine and engine parts in case of breakage or failure or in case of missing parts.
